Description

Are you looking for an affordable multi-cooker that's easy to use? Then, the new **Chef Master multi-cooker** is the answer to your prayers. Add the ingredients, select a programme and you'll get a meal worthy of a chef. The multi-cooker uses a smart 3D heating system that changes the temperature automatically heating the food evenly. In addition, you can programme it up to 24 hours in advance!

The cooking container has a capacity of 5 L, and you can view the selected cooking time and programme, the time, etc. on the screen at all times. With its modern and simple design, Chef Master is the **multi-cooker** you've always wanted. No recipe book is included, but you won't need it because, as soon as you see this product, lots of ideas will come to your mind. The Chef Master multi-cooker has 8 different programmes:

- Rice
- Fast cooking
- Fry

- Cake
- Reheat
- Steam/Stew
- Soup
- Free
